

A festive winter night scene. In the upper half, Santa Claus, dressed in his traditional red suit and hat, is seated in a red sleigh. He is holding the reins of a team of eight reindeer, which are galloping through the air. A large, bright full moon is visible in the dark blue night sky. The lower half of the image shows a snowy village at night. Several houses with snow-covered roofs and lit windows are visible. A small snowman stands in the foreground on a snow-covered path. The overall atmosphere is magical and celebratory.
